

Verify Company Data

CIBT Inc. is used by companies and people for the purposes of Immigrations, visa, document legalization and other related services.

The CIBT Inc. platform equips HR and relocation professionals with tools to help with all aspects of visa and immigration activities.

Request Access to Collected Data

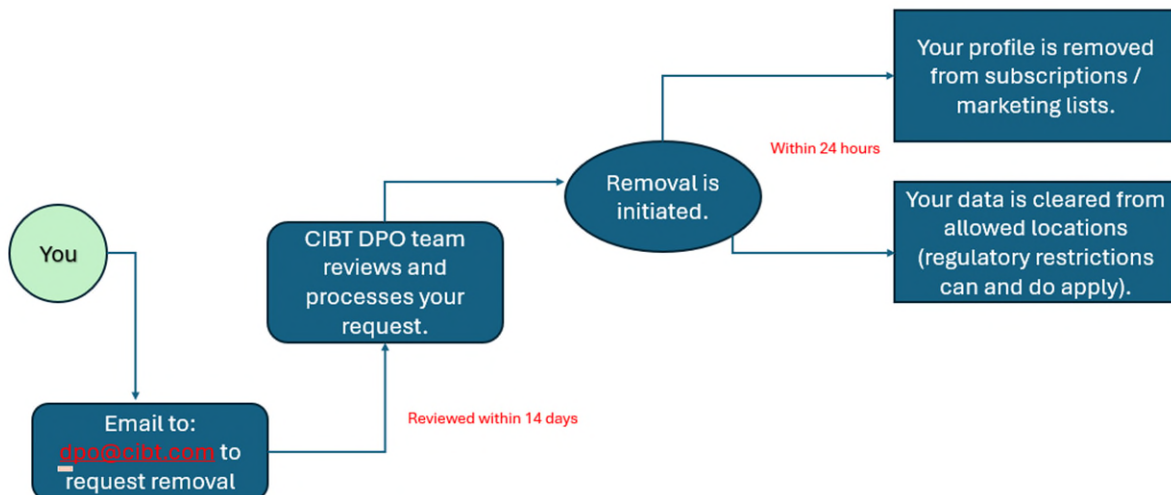

Want to learn about the data CIBT Inc. has collected about you? Reach out to dpo@cibt.com with the request. Once we've verified your identity, you can specify the type of information you want, and we will send you a report.

Request Removal/Deletion from CIBT Inc. (Opt-Out)

Want to remove your existing individual profile from CIBT Inc.'s database? Click the Request Removal link below. If you make this choice, all information contained in your profile will be removed and your records will become unavailable in our products as soon as possible. Removing your individual profile also serves as an opt-out of the sale of information that was contained in your profile.

Our full-time privacy team works tirelessly to ensure we process requests as fast as possible. In cases where your request cannot be processed through our automated Privacy Center, we've got you covered.

How It Works:

Privacy at CIBT Inc.

Review our Privacy Policy, gain insight into how we source data, and understand the privacy and security standards we follow.
